SUMMARY

UI/UX & Graphic Designer with **3+ years** of experience designing user-centred digital products across e-commerce, SaaS, and consumer apps for web and mobile. Skilled in Figma, Adobe XD, Photoshop, and Illustrator, with strong command of usability, responsive design, and conversion optimisation. Experienced in shipping storefronts, subscription platforms, and SaaS dashboards — from UX research and wireframing to high-fidelity UI and developer handoff. Comfortable owning conversion-critical flows like product discovery, subscription journeys, and checkout, while also delivering high-performing marketing creatives — giving depth across both product and visual design.

EXPERIENCE

UI/UX & Graphic Designer — Jstechno Solutions Pvt. Ltd. (Mar 2023 – Present)	Ahmedabad
Designed UI/UX for multiple client products across e-commerce, B2B, fintech, crypto, CRM, and service domains — including Veljia (fashion e-commerce), Texozen India Pvt. Ltd. (Printing Machin part e-commerce), Sheegacy (bedsheet e-commerce), Do Paya Parts (B2B platform), Money Plant (loan management), Glow Switch (crypto trading), Shri Ram CRM, LeChalo (parcel booking & tracking), Meet Solutions (service booking), TRF Events (event management), and South Asia Consultancy. Built wireframes, user flows, and high-fidelity interfaces in Figma and Adobe XD with responsive design and clean developer handoff, alongside branding and marketing creatives.	
Junior Graphic Designer — Cilected Simplified Pvt. Ltd. (Apr 2022 – Feb 2023 · 11 Months)	Ahmedabad
Designed social media creatives, banners, and marketing materials, assisted on branding and UI layout work, and maintained visual consistency across projects.	
UI/UX Designer — Freelance.	Remote
Designed conversion-focused e-commerce experiences for independent clients. Cossouq (e-commerce platform): UI/UX along with high-conversion product visuals and campaign creatives. Reccabxo (UK-based beauty subscription brand, via UFK Group): led UX research and competitor benchmarking, then delivered user flows, wireframes, and high-fidelity UI in Figma — designing the subscription journey, product discovery, and checkout flow to improve conversion, with responsive design across mobile and desktop.
